Dear Parent / Guardian

Your child has expressed interest in joining our primary school SUPA Club. The club is affiliated to Scripture Union Northern Ireland and operates in the school with the approval of the principal.

Apart from the fun and enjoyment of Bible stories, games, quizzes and songs, the club provides opportunities for children to investigate life's big questions from a Christian point of view.

Scripture Union is an interdenominational worldwide Christian movement. A statement of aims and beliefs is available on request.

There are Scripture Union groups in primary and in post-primary schools throughout Northern Ireland. The leaders are either members of staff or volunteers who have been approved by the school in accordance with the Department of Education guidelines on child protection.

Scripture Union also produces Bible reading aids and organises holiday activities for children during the summer.
