

We are delighted that you are involved in the leadership of a school SU group. You are one of more than a thousand volunteers serving God in this way in Northern Ireland. We are keen to support you throughout the year in every way we can. This leaflet outlines the support that is available through our website and SU leaders network.

SUNI Website

On the schools section of the Scripture Union website: www.suni.co.uk you will find lots of information and advice to help you run a group, details of the latest recommended resources and news of forthcoming events for leaders or pupils. You can also download policy documents, information leaflets, posters, logos and more!

This website is also a means of raising awareness throughout Northern Ireland and beyond of the ministry of Scripture Union groups in schools. Through the volunteers website, to which the coordinator of the group has access, you can post up to date prayer news as often as you like in order to keep prayer supporters informed of what is happening in your group and help them pray effectively for you.

We would also be pleased to post any more general items of news that you may have on our website at any time - for the interest of our supporters and others. Please send any such items, along with a photograph or two, if appropriate, to schools@sunico.uk.

Finally, If your group has it's own website, or a section in your school's website, please let us know so that we can create a link from our website to yours. If not, why not think about creating one? There may be some senior pupils or other staff members who would be interested in helping with this. Do make sure, however, that you have the principal's approval for everything that you include.

SU Leaders Network

This is an email network for the leaders of Scripture Union groups around Northern Ireland. Members receive regular news and encouragement from SU staff and also have the opportunity to share news, ideas and prayer requests with each other.

In order to join, simply visit the SU Leaders Network page in the schools section of our website and click on the appropriate link. You will be invited to send us an email with the word SUBSCRIBE in the title and with your name and school in the contents.

If we have your email address you will be included in the network automatically although you can of course unsubscribe at any time.

Having joined the network, you will also be invited to join the SUNI Primary School Leaders or the SUNI Secondary School Leaders group on **Facebook** and from there share news, ideas and prayer requests with other leaders and take part in discussion forums.
