SUNI CAMPS & MISSIONS

Are you excited for the summer ahead? At Scripture Union Northern Ireland we love camps and missions, and we really can't wait for all that will happen in Summer 2025!

Each year, around 7000 children and young people come along to our camps and missions; each having unforgettable experiences and making memories that will last a life time.

This year, we have lots in store with some new camps and missions on the horizon - meaning more opportunities to have the best summer ever!

Our hope is that for each of those who engage with us this summer, whether that be through one of our adventure camps or at a seaside mission (or anything in between!) you will have the most amazing experience but, ultimately, that you would know of God's goodness, experience His love and grow in fearless faith!

A group of children are playing hurling on a grassy field. In the center, a boy in a grey and black Under Armour jacket is laughing while holding a yellow hurley. To his left, a boy in a black AC/DC t-shirt and a girl in a light green hoodie are also holding hurleys. In the foreground, the back of a girl in a light blue hoodie and dark shorts is visible as she moves. To the right, the back of a boy in a dark jacket is visible. The background shows a chain-link fence and residential houses under a cloudy sky. The word "CAMPS" is overlaid in large white letters.

CAMPS

SUNI CAMPS

There are over 18 camps to choose from. Which one have you got your eye on?

Each of our camps offer an amazing opportunity to get away with friends or family and all with something different to offer. From camping in the dunes to bouldering in the Mourne, from creative games and crafts to sports and team games, there is something for everyone to get stuck into.

There will be lots of opportunities through camp to hear from God's Word, to spend time in small groups and to sing songs of praise to Him. How amazing it is to do this with friends old and new. It's sure to be a time you won't forget!

But hurry, places are limited and they book up fast! Bookings open from 8pm, 30 January.

"If it wasn't for Base Camp, I wouldn't have the knowledge to lead small groups, memory verses and so much more! I had such a great weekend at Base Camp and it was such a useful thing during my time on an SU team - especially having leaders about I already knew, which eased my nerves."

FAQS

SU CAMPS FAQS

What happens after I book?

You will receive an email confirmation as receipt of your booking and payment of the deposit. Within 2 weeks, you will receive an email from the Camp Leader/Secretary who will guide you on the process to pay remaining balances. They will also ask you for further information about your camper.

Is there a fee for SU camps?

All SU Camps have a fee attached. SU Camps are not run for profit, and all those who attend, including volunteers, share expenses. We try to charge as little as possible for each camp, however, we never want finance to be a barrier. Therefore, a Sponsorship Fund is available. For more information and to request sponsorship, please contact us confidentially [here](#).

SU MISSIONS FAQS

How do I book?

You don't need to book or pay to attend any SU Mission. Online registration will be available from a few weeks before the start of each mission. We hope to welcome every child who wants to attend a session at an SU Mission. However, the safety of all children, young people and volunteers is paramount and we adhere to strict adult to child ratios. Should we not be able to safely accommodate every child and young person, places will be filled on a first come first serve basis at the beginning of each session.

How do I find specific details for a mission?

For information on a specific mission (eg. session timings, section locations etc.) please visit our website and follow the link for the mission you wish to know more about. Mission teams will share individual information on their social media ahead of time, as well as any important updates throughout the week of mission (eg. Indoor locations for sections during wet weather).

OTHER FAQs

Who will be looking after my child?

All camps and missions are staffed by volunteers who are approved by SUNI. Teams of volunteers work under the supervision of voluntary Team Leaders who are carefully selected for their leadership abilities and experience, and appointed to their role by the Council of SUNI. Volunteers are trained according to SUNI's procedures for Safeguarding children and young people; covering Health and Safety, Child Protection, and for nominated volunteers, a qualification in First Aid. GDPR Procedures are shared with all volunteers.

How do I make contact with a team leader?

Each camp and mission has its own email account for corresponding with parents/guardians. Please check your emails regularly, including your junk mail folder and add suni.co.uk to your 'safe sender' list.

What about insurance?

All SUNI Camps & Missions are covered by a Public Liability (3rd Party) Insurance Policy. Please note that some activities listed may change due to insurance restrictions unknown at the time of this publication. In addition to the insurance cover that we provide, we advise everyone to take out cover against personal accident, cancellation and illness.

What if I have a complaint?

We really hope your experience of SU Camps & Missions is a great one! However, if there is a problem we would like to know as soon as possible so we can do our best to put it right. Please contact the Team Leader in the first instance. If the problem is not dealt with to your satisfaction, please [click here](#) to contact SU C&M staff.

How do I raise a concern about safeguarding?

Please check out the Safeguarding page on our website to contact the Designated Safeguarding Officer (DSO) for Camps & Missions.

SPONSORSHIP

We want every child and young person to have the opportunity to participate in one of our camps, so please don't let finance be a barrier.

We have a Sponsorship Fund available which may enable the child or young person you care for to enjoy all our Camps have to offer!

In Summer 2024 we had the joy of sponsoring 17 children and young people to attend Camp.

"Thank you so much for sponsoring (my son) to attend camp. He has really enjoyed it. He said it was the best camp he has ever been on!"
