# PRAYER GUIDE FOR SCHOOL SU GROUPS 2026

**Thank you** for faithfully praying for SU Groups in our schools. You will be encouraged to note that the number of SU Groups operating in our schools has grown over the last year. Praise God for this growth and pray that even more new groups might become established in 2026 to the glory of God!

As last year we've listed each group twice so they are focussed on at different times of the year. Towards the back of this guide we have listed the dates of our Camps and Missions\* for you to pray for when they are happening. Our camps and missions are vital when it comes to children and young people coming to faith and growing in faith. As always, please pray in particular for children and young people who come to faith through camps and missions to connect in with their school's SU Group.

In December of this year, rather than listing SU Groups, we've listed 31 prayer points for SU Groups, which you can apply to all groups especially groups that are known to you.

If you would like to know more about our Schools Ministry, please contact Mark Moorhead (Schools Ministry Manager) on [mark@sunico.uk](mailto:mark@sunico.uk), or your local SU Schools Worker.

### **What you could pray for :**

**G - Growth in discipleship - that they would know and love Jesus more;**

**R - Relationships with one another - that they would love one another;**

**O - Outreach opportunities - that they would reach out to a world in need;**

**U - Understanding - that they would apply what they learn from the Bible to their own lives;**

**P - Passion for God's Word - that they would have a deep desire to read the Bible.**

\*Dates accurate as of end November 2026 - check [sunico.uk](http://sunico.uk) for up to date information.
