

Planning your year at SU

September

Questions to consider:

- Does everyone on committee know their role?
- Have we a year overview of what we would like to do or achieve?
- How do we integrate new year groups? e.g. year 8s and new people
- How are we going to publicise SU?
- How often and when are we going to meet to plan weekly meetings in detail?
- Do we have a theme for the year?
- Are we running a weekend this year? If so, when?

Have you booked in for the **Making Your Mark** Pupil Leadership Training?

October

Questions to consider:

- In light of how we have started, is there anything we need to change?
- In light of how we have started, is there anything we need to add?
- Are we not meeting regularly enough or meeting too much?

November

Questions to consider:

- Is there a better way to encourage local churches to partner and pray for us?
- Is there a way of involving other teachers who are Christians in the school and who don't normally help out but who may be able to help out as a one off? e.g. lead the music, share their testimony, give a talk.

December

Questions to consider:

- Have we planned for after Christmas?
- How can we best use Christmas to invite people along to SU?

January

Questions to consider:

- Set out the expectations and commitment for being part of the committee again
- Do a half year review and ask people to be honest in how they feel the year has went so far?
- Are your teachers involved enough? In planning and in SU itself?
- Is there a good relationship between you and your SU leaders/teachers? How can it improve?

February: SUNI INTERNSHIP

Are there pupils leaving school wanting a great year out experience?

March

Questions to consider:

- Before Easter, is it worth sorting out who will be part of the new committee?
- What process will this take e.g. pupil vote, teachers pick, interviews, application form?
- How can you make sure that there is a mix of experience and fresh eyes next year?
- What would you like to see happen in the future for your SU?
