Recommended Resources

The Scripture Union Northern Ireland Podcast exists to encourage and resource the local Church in our joint mission of making God's Good news known to children, young people and families. It is a monthly podcast that lasts approximately 30 minutes and in the past year we have looked at topics such as 'people development', 'partnership', 'Illustrated faith', 'Prayer'. Why not have a listen on your commute to School and see if it encourages you as you lead your SU.

YOU! You carry wisdom and knowledge of how you run and have run your SU group. Over the past couple of years we have been encouraging SU groups in local areas to get together once a year (or if you're ambitious, once a term) to get together, share ideas and pray. We call them Cluster Groups. So if you are looking for a Cluster Group in your area or want to join one then please get in touch. We've also been doing the same for pupils, seeking to run 'Inters' SU events in local areas and 'doing SU together'. Again, if this is something that interests you, then please get in touch.

Out of the Question

Out of the question is a series of animations to equip young people to give a reason for the hope they have. Following the characters Chris, Holly Beth and Sam through ups and downs of discussing the Christian faith with their friends, young people will learn the value of a conversational, question based approach that is both robust but also positive. The videos themselves last between 6-9 minutes and then there are discussion questions provided alongside role plays. Just head to outofthequestion.net

Speak life exists to help us share Jesus in everyday life. They have a blog, podcast and regular prayer bulletin but what you'll love it for are the videos they produce. Really helpful on 'thorny' issues in today's culture, as well as seasonal videos which could be used in SU (or even assembly)

STUFF YOU CAN USE

Looking for inspiration on some games you could use in your SU group, then why not see what stuff you can use by heading to <https://stuffyoucanuse.org/games/>
